## PHOTOGRAPHIC SCHOOL - TANZANIA

Exclusive to Epic Private Journeys, we are offering you the chance to spend 10 days with Greg du Toit, actively learning new skills and developing your existing talent.

### **DAY 1: ARUSHA, TANZANIA**

On arrival in Arusha, you are met by Greg and join your fellow students.

### **DAYS 2 – 5: SERENGETI NATIONAL PARK**

Fly by light aircraft to the start of your Serengeti adventure. Fully supported by your own private mobile camp, follow the Great Migration over the iconic plains. Back at your camp, Greg conducts workshops and presentations, providing you with new skills to be practised on the following day's safari.

### **DAYS 6 – 9: RUAHA NATIONAL PARK**

Venture into the ancient landscapes of the Ruaha National Park in southern Tanzania. Its wide distances have a drama and atmosphere quite unlike any other and abundant wildlife lays claim to its hilly savannah and bush.

The Ruaha is the second largest National Park in Tanzania, and provides for a more exclusive experience. Continue your tuition once back at your discreet lodge, with evaluations of the group's images taking place upon returning from each day's activities.

### **DAY 10: DAR ES SALAAM**

Today you depart Africa via Dar es Salaam.

Non-photographer partners are welcomed to enjoy the sights and sounds of the incredible destinations we visit. This is a superb offering to take in a number of Tanzania's icons and learn the finer art of photography from one of Africa's "master" photographers.

- This programme is **fully customisable**.
- Minimum age 8 years.
